**THE MANTRA
OF
SUCCESS**

**What is the meaning of Success to you?
It is making someone who believes in you
look Brilliant!**

Magic Wand

If you had a magic wand, if the power of the magic wand was to make everything 'happen', what would your wish be?

Let us have a session, where you tell me about a desire that you have, that would delight you like no one's business.

What would happen to the world if all our desires are met 'immediately'?

**The law of life says, "In life you will NOT
get what you desire..."**

Why so?

The Thoughts

How many of us can say we are masters to our thoughts. In other words, how many of us can say, unwanted thoughts do not come to us at all?"

You are travelling

Do you sometimes have thoughts that you will meet with an accident? And that you might die?

You are carrying a little excess cash

Do you have thoughts that someone will steal away your cash?

You work in a company

Do you have thoughts that you 'might' lose your job?

You have your own business

Do you have thoughts that you might lose an important customer?

You are having a close relationship

Do you have thoughts that misunderstandings might break your relationship?

You are in an adventure park in that giant wheel

Do you have thoughts that you might lose an important customer?

You like someone

I truly enjoy your company

"Me too."

I think what we have is more than just friendship.

##_-@!....\$

(Oh my gosh. What have I done? I shouldn't have said it. Shit...)

Idiot!

Imagine if all of these thoughts become real, what kind of a life will it be?

To ensure there is balance in the world, to ensure we all are sane, to make life in our favor, there is a law of existence.

The law says,
"In Life you do not get what you DESIRE"

Life asks this question,
"Do you truly DESERVE it?"

Life qualifies us by watching are we doing what is necessary to DESERVE what we desire. The teacher gives me marks based on what we deserve. Sometimes, an overworked teacher may make a mistake. Life NEVER makes a mistake.

How does Life qualify what it wants from us to give us what we want?

How to know if I do this, life will give me what I want?

KHUL JA SIM SIM

The magic mantra for Alibaba in the story Alibaba and the 40 thieves was, “Khul Ja Sim Sim”. Similarly, there is a magic mantra that transforms our desires into something that we DESERVE.

The magic mantra has 4 words...

EFFORTS

I have to take the efforts. No one else can do it for me.

- Health
- Exams
- Eating and ice cream
- Sleeping

SELF DRIVEN

Kick Start VS Button Start

Sustain - If it is not self motivated, we give up at the first obstacle. We do not give our 100%. We don't enjoy.

Efforts that are required not efforts that I am capable of. Not enough for you to give your 100%. Maybe your 500% is required. Won't be happy with doing my best but doing **whatever it takes**.

Between what we DO and what we CAN DO, all our issues can be solved.

There are three kinds of students.

- Will do more than what the teacher expects.
- Will meet the teachers expectations.
- Will do less than the teachers expectations.

Which category do you belong to?

REFINED

You are not scared of failures, when you are confident you will **learn and improve.**

You can **laugh at yourself** and **be immune from hurt**

Cycling

Heart has to beat consistently.

TOP corporates would prefer candidates who have performed consistently.

Consistency creates habit. Habit becomes nature. Habit is the place where we stay.

Habitat means - the place we stay.
